

ARTWORK REPRODUCTION GUIDELINES FOR MEDIA

Miami Art Museum is pleased provide images of the museum, related events and exhibitions, and specific art works, upon request. MAM is committed to preserving artworks and protecting artists' copyrights. Therefore, we appreciate your understanding and cooperation in observing the following restrictions:

Image shall be labeled with complete caption and copyright credit information.

The image may only be used for the use specified upon request.

The image may only be used for articles about the exhibition and the copyright credit must appear with all reproductions.

All reproductions must be full-tone black and white or full color.

There shall be no alteration or manipulation of the image, including, but not limited to, cropping, overprinting and bleeding off the screen.

Works must be reproduced distortion-free.

For web use, the resolution must not exceed 1024 x 768 pixels, and 72 dpi.
